

Remember the hungry.

LAMPa

Dear Senator,

I am writing as a Christian and your constituent. Our faith calls us to care for our neighbors, especially those who are hungry. Our ministries are stretching to meet growing food insecurity. If Pennsylvania loses federal SNAP funding, we will not be able to close the gap. As you work on the budget, I ask that you include strong support for proven anti-hunger programs, including the cost shift for SNAP, to ensure that all Pennsylvanians have access to the nutrition they need to thrive.

Sincerely,
