

IT'S TIME
TO PROTECT
MARRIAGE
EQUALITY
IN PA

LAMPa

Dear Senator,

I am writing as your constituent and a Christian whose faith calls me to care for my neighbor. I urge you to support House Bill 1800, which updates Pennsylvania's marriage statutes by removing long-outdated language that is inconsistent with both federal law and our Commonwealth's commitment to the equal dignity of all people.

Our Commonwealth should be a safe place for everyone to live, love, and build a life without fear that the law treats them as less than equal. It's time to pass HB 1800 to amend Title 23 of the Pennsylvania Consolidated Statutes and bring Pennsylvania's marriage laws into full alignment with the promise of marriage equality. Every person's right to marriage should be protected in Pennsylvania.

Sincerely,
